Let It Be So

Victoria Williams

What a beautiful day to say 'forever'

Oh, let it be so

*Clear a path to take you both through any
weather*

Oh, let it be so

Happy we are all here to be together

To share the love that you found

*The trials of the past, they can only make us
better*

Put our feet on solid ground

Oh, let it be so

Oh, let it be so

Rejoice in this moment

And many hereafter

Sweet and holy be the sound of your laughter

Oh, let it be so

Oh, let it be so

Before God's eyes you recognize each other

As if you were chosen

*May the simple trials of everyday be
treasured*

Oh, let it be so

Oh, let it be so
